

Fill in the gaps

A lonely mother gazing out of the window	Leaving a (15) of not on God (16)
Staring at a son that she (1) can't touch	ray
If at any time he's in a jam, she'll be by his side	Is it because my life is ten shades of grey
But he doesn't realize he hurts her so much	I (17) all ten fade away
But all the (2) just ain't helping at all	Seldom praise Him for the sunny days
'Cause he can't seem to keep himself out of trouble	And like His promise is true, only my faith can undo
So, he goes out and he makes his money	The (18) chances I blew to bring my life to anew
The best way he knows how	Clear blue and unconditional skies
Another (3) laying (4) in the gutter,	Have dried the tears from my eyes, no more lonely cries
listen to me	My only bleeding hope is for the folk who can't cope
Don't go chasing waterfalls	With such an enduring pain
Please (5) to the rivers and the (6)	That it keeps them in the (19) rain
that you used to	Who's to blame for tooting caine in your own vein
I know that you're (7) have it your way or	What a shame, you (20) and aim for someone
nothing at all	else's brain
But I think you're moving too fast	You claim the insane
Little precious has a natural obsession	And (21) day in time for falling prey
For temptation, but he just can't see	to crime
She (8) him loving that his body can't handle	I say the system got you (23) to
But all he can say is, baby, it's good to me	(24) own mind
One day he (9) and takes a glimpse in the mirror	Dreams are hopeless aspirations in hopes of coming true
But he doesn't recognize his own face	Believe in yourself
His health is fading and he doesn't know why	The rest is up (to me and you)
Three letters took him to his final resting place	Don't go chasing waterfalls
You all don't hear me	Please stick to the rivers and the lakes (25) you
Don't go chasing waterfalls	used to
Please stick to the rivers and the (10) that you	I know that you're gonna have it (26) way or
used to	nothing at all
I (11) that you're gonna (12) it your way	But I think you're moving too fast
or nothing at all	Oh, you're moving too fast
But I (13) you're moving too fast	Don't go chasing waterfalls
Come on	Please stick to the rivers and the lakes that you used to
I've seen a rainbow yesterday	I know that you're gonna have it your way or
But too many (14) have come and gone	(27) at all
