A lonely mother (1) out of the window	Leaving a trace of not on God (5) ray
Staring at a son that she just can't touch	Is it because my life is ten shades of grey
If at any time he's in a jam, she'll be by his side	I pray all ten fade away
But he doesn't realize he (2) her so much	Seldom praise Him for the sunny days
But all the praying just ain't helping at all	And like His promise is true, only my faith can undo
'Cause he can't seem to keep himself out of trouble	The many chances I blew to bring my life to anew
So, he goes out and he makes his money	Clear blue and (6) skies
The best way he knows how	Have dried the tears from my eyes, no more lonely cries
Another body (3) cold in the gutter, listen to	My only bleeding hope is for the folk who can't cope
me	With such an enduring pain
Don't go chasing waterfalls	That it keeps them in the pouring rain
Please stick to the rivers and the lakes that you used to	Who's to blame for tooting caine in your own vein
I know that you're gonna have it your way or nothing at all	What a shame, you shoot and aim for someone else's brain
But I think you're moving too fast	You claim the insane
Little precious has a natural obsession	And name this day in time for falling (7) to crime
For temptation, but he just can't see	I say the system got you victim to your own mind
She gives him loving that his body can't handle	Dreams are hopeless aspirations in hopes of coming true
But all he can say is, baby, it's good to me	Believe in yourself
One day he goes and takes a glimpse in the mirror	The rest is up (to me and you)
But he doesn't recognize his own face	Don't go chasing waterfalls
His health is fading and he doesn't know why	Please stick to the rivers and the lakes that you used to
Three letters took him to his final (4) place	I know that you're gonna have it (8) way or nothing
You all don't hear me	at all
Don't go chasing waterfalls	But I think you're moving too fast
Please stick to the rivers and the lakes that you used to	Oh, you're moving too fast
I know that you're gonna have it your way or nothing at all	Don't go chasing waterfalls
But I think you're moving too fast	Please stick to the rivers and the lakes that you used to
Come on	I (9) that you're gonna (10) it your way
I've seen a rainbow yesterday	or nothing at all
But too many storms have come and gone
