

## Fill in the gaps

I was born in the arms of imaginary friends	Your (6) is strong
Free to roam, made a home	But I can only fall short for so long
Out of everywhere I've been	Time will hold, later on
Then you come crashing in	You will hate that I never gave (7) to you
Like the realest thing	Than half of my heart
Trying my best to understand	But I can't stop loving you (I can't stop loving you)
All that your love can bring	I can't stop loving you (I can't stop loving you)
(Oh) Half of my heart's got a grip on the situation	I can't stop loving you with half of my
Half of my heart takes time	Half of my heart
Half of my heart's got a right mind to tell you that	(Oh) Half of my heart
I can't (1) loving you (I can't (2) loving	Half of my heart's got a real good imagination
you)	Half of my heart's got you
(Oh) With (3) of my heart	Half of my heart's got a right mind to (8) you that
I was made to believe	Half of my heart won't do
I'd never (4) somebody else	Half of my heart is a shotgun wedding
I made a plan	To a bride with a paper ring
Stay the man who can only love himself	And half of my heart is the part of a man
Lonely was the song I sang	Who's never (9) loved anything
'Til the day you came	Half of my heart
Showing me a better way	(Oh) Half of my heart
And all that my love can bring	Half of my heart
(Oh) Half of my heart's got a grip on the situation	(Oh) Half of my heart
Half of my (5) takes time	
Half of my heart's got a right mind to tell you that	
I can't keep loving you (I can't keep loving you)	
(Oh) With half of my heart	
With half of my heart
