Fill in the gaps

Lover Of The Light by Mumford & Sons

In the middle of the night		So love the one you hold
I may watch you go		And I'll be your gold
There'll be no value in the strength		To (6) and to hold
Of walls that I have grown		A lover of the light
There'll be no (1)	in the shade	And in the middle of the night
Of the shadows thrown		I may watch you go
But I'll be yours if you'll be mi	ine	There'll be no (7) in the strengt
Stretch out my life and (2)	the seams out	Of walls that I have grown
Take what you like, but close my (3) and eyes		There'll be no comfort in the shade
Watch me stumble over and over		Of the shadows thrown
I have done wrong, you build your tower		You may not trust the promises
But (4) me home and I will build a throne		Of the change I'll show
And wash my eyes out never again		But I'll be yours if you'll be mine
But love the one you hold		So love the one you hold
And I'll be your gold		And I will be your gold
To have and to hold		To (8) and to hold
The lover of the light		A lover of the light
With (5) too tight a	and eyes like marbles	So (9) the one you hold
You spin me high so watch me as I glide		And I will be your gold
Before I tumble homeward, homeward		To (10) and to hold
I know I tried, I was not stable		A lover of the light
Flawed by pride, I miss my sa	anguine eyes	
So hold my hands up
