You (1) you want me that was just a lie
You (2) you (3) me that was (4) a lie
All i wanted was someone who could keep me warm at night
You tried it baby but it didn't work and now i know this is gonna be
the end
oh but you lied
You said you need me that was just a lie
You said the truth once that was just a lie
All i needed was someone who (5) keep me (6) at night
You (7) it baby but it didn't work and now i know this is gonna be
the end
oh but you lied
All i needed was someone who could (8) me warm at night
You tried it (9) but it didn't work and now i know this is gonna be
You tried it (9) but it didn't work and now i know this is gonna be the end
