

## Fill in the gaps

And in your eyes	Falling like a star
I see ribbons of color	Finding a belief
I see us	Falling (16) you are
Inside of each other	Catch me, don't let me drop
I feel my unconscious (1) with yours	Love me, don't ever stop
And I hear a voice say	So (17) your eyes
What's his is hers	And let me kiss you
I'm (2) into you (falling into you)	And while you sleep
This (3) (4) (5) true	I (18) miss you
And it feels so (6) (falling into you)	I'm (19) into you (falling (20)
Falling (7) you	you)
I was afraid (I was afraid)	This (21) could come true
To let you in here	And it (22) so good (falling into you)
Now I (8) learned	Falling into you
Love can't be made in fear	Falling like a leaf
The (9) to (11)	Falling like a star
down	Finding a belief
And I can't even	Falling where you are
See the ground	Falling into you
I'm (12) into you (falling (13)	Falling into you
you)	Falling (23) you
This dream could come true	
And it (14) so good (falling into you)	
Falling into you	
Falling (15) a leaf
