

Fill in the gaps

And in your eyes
I see ribbons of color
I see us
Inside of each other
I feel my unconscious merge with yours
And I hear a voice say
What's his is hers
I'm falling into you (falling (1) you)
This dream (2) come true
And it feels so good (falling into you)
Falling into you
I was afraid (I was afraid)
To let you in here
Now I (3) learned
Love can't be made in fear
The walls begin to tumble down
And I can't even
See the ground
I'm falling into you (falling into you)
This (4) could come true
And it feels so (5) (falling (6) you)
Falling (7) you
Falling like a leaf

Falling like a star
Finding a belief
Falling where you are
Catch me, don't let me drop
Love me, don't ever stop
So close your eyes
And let me kiss you
And while you sleep
I will miss you
I'm falling (8) you (falling into you)
This (9) could come true
This (9) could come true And it feels so good (falling (10) you)
` '
And it feels so good (falling (10) you)
And it feels so good (falling (10) you) Falling into you
And it feels so good (falling (10) you) Falling into you Falling like a leaf
And it feels so good (falling (10) you) Falling into you Falling like a leaf Falling like a star
And it feels so good (falling (10) you) Falling into you Falling like a leaf Falling like a star Finding a belief
And it feels so good (falling (10) you) Falling into you Falling like a leaf Falling like a star Finding a belief Falling where you are
