Hands Clean by Alanis Morissette

f it weren't for your maturity	And you've (10) (11)
None of this would have happened	(12) clean of this
f you weren't so wise beyond your years	What (13) of our history's re-invented and under
would've been able to control myself	rug swept
f it weren't for my attention	What part of your (14) is
You wouldn't have been successful, and if	(15) and tends to forget
f it weren't for me, you would never	What with this distance it seems so obvious
Have amounted to very much	Just make sure you don't (16) on me
This could be messy, but	Especially to members of your family
But you don't (1) to mind, and	We best keep this to ourselves
Don't go telling everybody, and	And not tell any members of our (17) posse
And over-look this supposed crime	I wish I could tell the world
Ne'll fast forward to a few years later, and	'Cause you're such a pretty thing
And no one knows except the both of us	When you're done up properly
And I (2) honored your request for silence	I (18) wanna marry you one day
And you've washed your (3) clean of this	If you'd watch (19) weight and you keep your firm
You're essentially an employee	body
And I like you having to (4) on me	This could be messy
You're a kind of protégé and one day you'll say	I don't seem to mind
You learned all you know from me, and	Don't go telling everybody, and
And I know you depend on me	Over-look this supposed crime
Like a young (5) would to a guardian	We'll fast forward to a few years later, and
know you sexualize me	No one knows except the both of us
Like a young thing would and I (6) I	And I have honored your request for silence
(7) it	And you've washed (20) hands clean of this
This could get messy, but	This could get messy, but
You don't seem to mind	I don't seem to mind
Dude, don't go telling everybody, and	Don't go (21) everybody, and
Over-look (8) supposed crime	Over-look (22) supposed crime
We'll fast forward to a few years later, and	We'll fast forward to a few (23) later, and
No one knows except the both of us	No one (24) except the both of us
ve more than (9) your request for silence	And I have (25) (26) request for
	silence
	And you've (27) (28) hands clean
	of this
