I (1) thought that I'd fall in love, love, love, love	Now looking back I wish I could rewind
But it grew from a simple crush, crush, crush, crush	Because I can't sleep till you're next to me
Being without you girl, I was all messed up, up, up, up	No I can't live without you no (8) (without you no
When you walked out	more)
Said that you'd had enough-nough	Oh I stay up till you're next to me (to me)
Been a fool, girl I know	Till this house feels like it did before
Didn't expect this is how things (2) go	Because it feels like insomnia (ah ah)
Maybe in time, you'll change your mind	Feels like insomnia (ah ah)
Now looking back I wish I could rewind	Feels like insomnia (ah ah)
Because I can't (3) till you're next to me	Feels like insomnia (ah ah)
No I can't (4) without you no more	Ah, I just can't go to sleep
I stay up till you're next to me	'Cause it feels (9) I've fallen for you
Till (5) house feels like it did before	It's getting way too deep
Feels like (6) (ah ah)	And I know that it's love because
Feels like insomnia (ah ah)	I can't sleep till you're next to me
Feels like insomnia (ah ah)	No I can't live without you no more (without you no more)
Feels like insomnia (ah ah)	I stay up till you're next to me (to me)
Remember telling my boys	Till this house feels like it did before
That I'd never fall in love, love, love, love	Feels like insomnia (ah ah)
You (7) to think	Feels like insomnia (ah ah)
I'd never find a girl I could trust, trust, trust, trust	Feels like insomnia (ah ah)
And then you walked into my life	Feels like insomnia (ah ah ah)
And it was all about us, us, us, us	Feels like insomnia (ah ah)
But now I'm sitting here	Feels like insomnia (ah ah)
Thinking I messed the whole thing up, up, up, up	Feels like insomnia (ah ah)
Been a fool, girl I know (know)	Feels like insomnia (ah ah)
Didn't expect this is how things would go
