

Fill in the gaps

Paranoid by Kanye West & Mr. Hudson

Why are you so paranoid	So now you're here (16) me, show some gratitude
Don't be so paranoid	Leave the attitude way back at home
Don't be so	Yeah, you see them look, baby
Baby, don't worry about it	Let them (17) (18) us cold looks 'cause
_ady, don't even (1) about it	we look cold
You worry about the wrong things, the wrong things	Yeah, you heard about all the word of mouth
You worry about the wrong things, the wrong things	Don't worry about what we can't control
You worry about the (2) things, the wrong things	All the talk in the world lost in the world
You worry about the wrong things, the wrong things	Till you (19) let that (20) go
Tell me right now	You wanna check in to the heartbreak hotel
You really wanna spend (3) (4) life	But sorry we're closed
alone	Baby, don't worry about it
A little (5) out might	Baby, we'll go out to the floor
Do you good, might do us good before we be done for good	Anyway, (21) don't know you (22) I do
Cause I make it good I (6) make it hood	(to the floor)
can make you come, I can make you go	They'll never know you (never know)
can make you high, I can make you fly	Anyway, they don't (23) you like I do (they don't
Make you (7) the sky, hey, maybe so	know)
All of the time you be up in mine	They'll never know you
Checking through my cell (8) baby, no	Baby, don't worry about it
You wanna kill the vibe on another night	Lady, don't even (24) about it
Here's another fight oh (9) we go	You worry (25) the wrong things, the wrong
Baby, don't (10) about it	thing
_ady, we'll go out to the (floor)	You worry about the wrong thing, the wrong thing
Anyway they don't (11) you (12) I do	You worry about the wrong things, the wrong thing
(they don't know)	You worry about the (26) thing
They'll (13) (14) you (never know)	Anyway, they don't know you like I do
Anyway, they don't know you like I do	They'll never know you
They'll never know you	Anyway, they don't know you like I do
All of the time	They'll never know you
You wanna complain about the (15)
