Baby, It's Cold Outside by She & Him

really can't stay	Mind if I move a little closer
Baby it's cold outside	At least I'm gonna say that I tried
ve got to go away	What's the sense in hurting my pride
Baby it's cold outside	I really can't stay
This evening has been	Baby don't hold out
Hoping that you'd drop in	(Ah) but it's cold outside
So very nice	I've got to go home
'll hold your hands, they're just like ice	Oh, baby, you'll freeze out there
My mother will start to worry	Say, lend me your comb
Beautiful, what's your hurry	It's up to your knees out there
My father (1) be pacing the floor	You've really been grand
isten to the fireplace roar	I'm thrilled when you touch my hand
So (2) I'd better scurry	Why don't you see?
Beautiful, please don't hurry	How can you do this thing to me
Maybe (3) a half a drink more	There's bound to be talk tomorrow
Put (4) records on while I pour	Think of my lifelong sorrow
The neighbors might think	At least there will be plenty implied
Baby, it's bad out there	If you caught (7) and died
Say, what's in (5) drink	I really can't stay
No cabs to be had out there	Get over that hold out
wish I (6) how	(Ah) but it's cold outside
our eyes are like starlight now	Oh (8) it's cold outside
To break this spell	Oh baby it's (9) outside
'll take your hat, your hair looks swell
