### Baby, It's Cold Outside by She & Him

I (1) can't stay	Mind if I move a (12) closer
Baby it's cold outside	At least I'm gonna say (13) I tried
I've got to go away	What's the sense in hurting my pride
Baby it's cold outside	I really can't stay
This evening has been	Baby don't hold out
Hoping that you'd drop in	(Ah) but it's cold outside
So (2) nice	I've got to go home
I'll (3) your hands, they're just like ice	Oh, baby, you'll freeze out there
My mother will start to worry	Say, (14) me your comb
Beautiful, what's your hurry	It's up to your knees out there
My father will be pacing the floor	You've really been grand
Listen to the fireplace roar	I'm (15) when you touch my hand
So really I'd (4) scurry	Why don't you see?
Beautiful, please don't hurry	How can you do this (16) to me
Maybe just a half a drink more	There's (17) to be talk tomorrow
Put some records on while I pour	Think of my lifelong sorrow
The (5) might think	At least there will be (18) implied
Baby, it's bad out there	If you caught (19) and died
Say, what's in (6) drink	I really can't stay
No cabs to be had out there	Get over that (20) out
I (7) I knew how	(Ah) but it's cold outside
Your eyes are like starlight now	Oh baby it's cold outside
To break this spell	Oh (21) it's (22) outside
I'll (8) your hat, (9) (10)	-
(11) swell	
I ought to say no, no, no
