Love Will Tell Us Where to Go (Acoustic) by Bridgit Mendler

I know exactly how you feel
It doesn't (1)_____ what you say
I see the sun begin to set
And we gotta, gotta get away
I (2)_____ patch of open road
I (3)_____ miss you with all of my soul
So before we both get old
I think we gotta, gotta get away
I keep wishing for all the tickets
Stack 'em on my wall
Let's rip them down
And (4)_____ the town before the cops can call
And bring us back
Cover our (5)_____ in the dust
I think we must
Take on the world
Let's go crazy
Love will tell us where to go
I'll be your girl, be my baby
Love will tell us where to go
(Oh oh oh) through a dark night
(Oh oh oh) without a sunrise
(Oh oh oh) and we will be alright
Love (6)_____ (7)_____ us where to go
Love will (8)_____ us where to go
Love will tell us where to go
The wheels on (9)_____ train (10)_____ turning
We're (11)_____ with the birds and
The worlds so bright it hurts when
We're on the getaway
I'm the Bonnie to your Clyde
You're the mood and I'm the tide, I
I want (12)_____ for all of my life
Since the night (13)_____ we got away
I keep wishing for all the tickets
Stack 'em on my wall
Let's rip them down
And (14)_____ the town before the cops can call

And bring us back
Cover our (15)_____ in the dust
I think we must
Take on the world
Let's go crazy
Love (16)_____ (17)_____ us (18)_____ to go
I'll be your girl, be my baby
Love will tell us where to go
(Oh oh oh) through a dark night
(Oh oh oh) without a sunrise
(Oh oh oh) and we (19)_____ be alright
Love will tell us where to go
Love will tell us where to go
Love will tell us where to go
When things get rough
When we have loved
We've got enough to tell us where to go
When we get lost
When love is all (oh) that we got
To tell us where to go
Then we're alright
We'll be alright
Tell us where to go
Then we're alright
We'll be alright
Love (20)_____ tell us where to go
Take on the world, let's go crazy
Love will tell us where to go
I'll be (21)_____ girl, be my baby
Love will (22)_____ us where to go
(Oh oh oh) through a dark night
(Oh oh oh) without a sunrise
(And we will be alright)
Love will (23)_____ us where to go
...
