

And leave the town before the cops can call

## Fill in the gaps

## Love Will Tell Us Where to Go (Acoustic) by Bridgit Mendler

I know exactly now you feel	And (17) us back
It doesn't matter (1) you say	Cover our tracks in the dust
I see the sun begin to set	I think we must
And we gotta, gotta get away	Take on the world
I gotta (2) of open road	Let's go crazy
I already miss you (3) all of my soul	Love will tell us where to go
So before we both get old	I'll be (18) girl, be my baby
I (4) we gotta, gotta get away	Love will tell us where to go
I keep wishing for all the tickets	(Oh oh oh) (19) a dark night
Stack 'em on my wall	(Oh oh oh) without a sunrise
Let's rip them down	(Oh oh oh) and we will be alright
And leave the (5) before the cops can call	Love will tell us (20) to go
And (6) us back	Love will tell us (21) to go
Cover our tracks in the dust	Love will tell us where to go
I think we must	When things get rough
Take on the world	When we (22) loved
Let's go crazy	We've got enough to tell us where to go
Love will tell us where to go	When we get lost
I'll be (7) girl, be my baby	When love is all (oh) that we got
Love will tell us where to go	To tell us where to go
(Oh oh oh) through a (8) night	Then we're alright
(Oh oh oh) (9) a sunrise	We'll be alright
(Oh oh oh) and we will be alright	Tell us where to go
Love will tell us (10) to go	Then we're alright
Love will tell us (11) to go	We'll be alright
Love will tell us where to go	Love will tell us where to go
The wheels on this train keep turning	Take on the world, let's go crazy
We're flying with the birds and	Love (23) tell us where to go
The worlds so bright it hurts when	I'll be (24) girl, be my baby
We're on the getaway	Love will tell us where to go
I'm the Bonnie to (12) Clyde	(Oh oh oh) through a dark night
You're the mood and I'm the tide, I	(Oh oh oh) without a sunrise
I want (13) for all of my life	(And we will be alright)
Since the (14) (15) we got away	Love will tell us where to go
I keep wishing for all the tickets	
Stack 'em on my wall	
Let's rip (16) down
