

Fill in the gaps

Small Bump (Acoustic) by Ed Sheeran

You're just a small bump unborn	Cos you are my one and only
In (1) moths you're (2) to life	You can wrap (16) (17) round
You might be left (3) my hair	my thumb
But you'll have your mother's eyes	And hold me tight
I'll hold your body in my hands, be as gentle as I can	(Oh) you are my one and only
But for now your scan of my unmade plans	You can wrap your fingers round my thumb
Just a small bump	And hold me tight
In (4) months, you'll open (5) eyes	And you'll be alright
And I'll hold tightly, I'll give you nothing but truth	You can lie with me
If you're not (6) me, I'll put my future in you	With your tiny feet when you're (18) asleep
Cos you are my one and only	I'll leave you be
You can wrap your fingers round my thumb	Right in (19) of me for a couple weeks
And hold me tight	So I can keep you safe
Oh you are my one and only	Cos you are my one and only
You can wrap your fingers round my thumb	You can wrap your fingers round my thumb
And hold me tight	And (20) me tight
You'll be alright	(Oh) you are my one and only
Oh you're just a small bump unknown	You can wrap (21) fingers (22) my
You'll grow into your skin	thumb
With a smile (7) hers	And hold me tight
And a dimple beneath (8) chin	And you'll be alright
Finger nails the size of a (9) grain of rice and	Cos you were just a small bump unborn
Eyelids closed to be (10) (11) wide	For (23) months then torn from life
A (12) bump, in four (13) you'll	And maybe you were (24) up there
open (14) eyes	But we're still unaware as why
And I'll hold you tightly, I'll give you nothing but truth	
If you're not inside me, I'll put my (15) in you
