

Fill in the gaps

I Never Told You by Colbie Caillat

I (1)_____ (2)_____ blue eyes

How you kiss me at night

I miss the way we sleep

Like there's no sunrise

Like the taste of your smile

I miss the way we breathe

But I (3)_____ told you

What I should have said

No, I (4)_____ told you

I just held it in

And now

I miss everything about you

I can't believe that I still want you

And after all the things we've been through

I miss everything about you

Without you...

I see your blue eyes

Everytime I close mine

You make it hard to see

Where I belong to

When I'm not around you

It's like I'm alone with me

But I never told you

What I should have said

No, I never told you

I just held it in

And now

I miss everything about you...

I can't (5)_____ that I still want you...

And after all the (6)_____ we've been through...

I miss everything about you

Without you

(Oh no, no...)

But I (7)_____ told you

What I should have said

No, I never told you

I just held it in

And now

I miss everything about you...

I can't (8)_____ that I (9)_____ want you...

And after all the things we've been through...

I miss everything about you

Without you
