

I miss those blue eyes

Fill in the gaps

What I should have said

| How you kiss me at night | No, I never told you |
|---|---|
| I miss the way we sleep | I just held it in |
| Like there's no sunrise | And now |
| Like the taste of your smile | I miss everything about you |
| I miss the way we breathe | I can't believe that I still want you |
| But I never told you | And (3) all the things we've (4) |
| What I should have said | through |
| No, I never told you | I miss everything about you |
| I just held it in | Without you |
| And now | (Oh no, no) |
| I miss everything about you | But I never told you |
| I can't believe that I still want you | What I (5) (6) said |
| And after all the things we've been through | No, I never told you |
| I miss everything about you | I (7) held it in |
| Without you | And now |
| I see your blue eyes | I miss everything about you |
| Everytime I close mine | I can't believe that I still want you |
| You make it hard to see | And after all the things we've been through |
| Where I belong to | I miss everything about you |
| When I'm not around you | Without you |
| It's like I'm (1) me | |
| But I never told you | |
