No more champagne	May we all have a vision now and then
And the (1) are through	Of a world where every neighbour is a friend
Here we are, me and you	Happy New Year
Feeling lost and (2) blue	Happy New Year
It's the end of the party	May we all have our hopes, our (6) to try
And the morning seems so grey	If we don't we might as well lay down and die
So unlike yesterday	You and I
Now's the time for us to say	Seems to me now
Happy New Year	That the dreams we had before
Happy New Year	Are all dead, nothing more
May we all have a vision now and then	Than confetti on the floor
Of a (3) where every neighbour is a friend	It's the end of a decade
Happy New Year	In another ten years' time
Happy New Year	Who can say what we'll find
May we all have our hopes, our will to try	What (7) waiting down the line
If we don't we (4) as (5) lay down	In the end of eighty-nine
and die	Happy New Year
You and I	Happy New Year
Sometimes I see	May we all have a vision now and then
How the brave new world arrives	Of a (8) where every neighbour is a friend
And I see how it thrives	Happy New Year
In the ashes of our lives	Happy New Year
(Oh yes) man is a fool	May we all have our hopes, our will to try
And he thinks he'll be okay	If we don't we might as well lay (9) and die
Dragging on, feet of clay	You and I
Never knowing he's astray	
Keeps on going anyway	
Happy New Year
