

I'll do it all for you in time

## Fill in the gaps

I'm gonna (1) up the pieces	And out of all these things I've done
And build a lego house	I think I love you (13) now
If things go wrong we can (2) it down	Don't hold me down
My three words have two meanings	I think my braces are breaking
There's one thing on my mind	And it's more (14) I can take
It's all for you	And if it's dark in a (15) December
And it's (3) in a cold December	I've got ya to (16) me warm
But I've got ya to keep me warm	And if you're broken then I will mend ya
And if you're broken I will mend ya	And keep you sheltered from the storm
And (4) you sheltered from the storm	That's (17) on, now
That's raging on now	I'm out of touch, I'm out of love
I'm out of touch, I'm out of love	I'll pick you up when you're (18) down
I'll pick you up when you're getting down	And out of all these things I've done
And out of all (5) things I've done	I (19) I love you better now
I think I (6) you better now	I'm out of sight, I'm out of mind
I'm out of sight, I'm out of mind	I'll do it all for you in time
I'll do it all for you in time	And out of all (20) things I've done
And out of all these things I've done	I (21) I love you better now
I (7) I love you better now, now	I'm out of touch, I'm out of love
Now	I'll pick you up (22) you're getting down
I'm gonna paint you by numbers	And out of all (23) (24) I've done
And colour you in	I will love you better now
If (8) go right we can frame it	I'm out of sight, I'm out of mind
And put you on a wall	I'll do it all for you in time
And it's so (9) to say it but I've (10) here	And out of all (25) things I've done
before	I think I love you (26) now
And I will surrender up my heart	I'm out of touch, I'm out of love
And swap it for yours	I'll (27) you up when you're getting down
I'm out of touch, I'm out of love	And out of all these things I've done
I'll (11) you up (12) you're getting down	I will love you better now
And out of all these things I've done	
I think I love you better now	
I'm out of sight, I'm out of mind	

## Fill in the gaps

- 1. pick
- 2. knock
- 3. dark
- 4. keep
- 5. these
