Lego House by Ed Sheeran

I'll do it all for you in time

Fill in the gaps

I'm gonna pick up the pieces	And out of all these things I've done
And build a lego house	I think I love you (5) now
If things go (1) we can knock it down	Don't hold me down
My three words have two meanings	I think my braces are breaking
There's one thing on my mind	And it's more than I can take
It's all for you	And if it's dark in a cold December
And it's dark in a cold December	I've got ya to keep me warm
But I've got ya to keep me warm	And if you're broken then I will mend ya
And if you're (2) I (3) mend ya	And keep you sheltered from the storm
And keep you sheltered from the storm	That's raging on, now
That's raging on now	I'm out of touch, I'm out of love
I'm out of touch, I'm out of love	I'll pick you up when you're getting down
I'll pick you up when you're getting down	And out of all these things I've done
And out of all these things I've done	I think I love you better now
I think I love you better now	I'm out of sight, I'm out of mind
I'm out of sight, I'm out of mind	I'll do it all for you in time
I'll do it all for you in time	And out of all these things I've done
And out of all these things I've done	I think I love you better now
I think I love you better now, now	I'm out of touch, I'm out of love
Now	I'll pick you up when you're getting down
I'm gonna paint you by numbers	And out of all these things I've done
And colour you in	I will love you better now
If things go right we can frame it	I'm out of sight, I'm out of mind
And put you on a wall	I'll do it all for you in time
And it's so (4) to say it but I've been here before	And out of all these (6) I've done
And I will surrender up my heart	I think I (7) you better now
And swap it for yours	I'm out of touch, I'm out of love
I'm out of touch, I'm out of love	I'll pick you up when you're getting down
I'll pick you up when you're getting down	And out of all these (8) I've done
And out of all these things I've done	I will love you better now
I think I love you better now	
I'm out of sight, I'm out of mind
