

Fill in the gaps

Elephant Love Medley by Ewan McGregor & Nicole Kidman

Love is a many splendored thing, love

Lifts us up where we belong

All you need is love!

Please, don't start that again

All you need is love!

A girl has got to eat!

All you need is love!

She'll end up on the street!

All you need is love!

Love is just a game

I was made for loving you baby

You were made for loving me

The only way of loving me baby

Is to pay a lovely fee

Just one night

Give me just one night

There's no way

'Cause you can't pay

In the name of love!

One (1)_____ in the name of love!

You (2)_____ fool

I won't (3)_____ in to you

Don't, leave me this way

I can't survive, without (4)_____ sweet love

(Oh) baby, don't leave me this way

You'd think (5)_____ people

Would've had enough of silly love songs...

I look (6)_____ me and I see it isn't so (oh no)

Some people wanna fill the world (7)_____ silly love songs

Well what's wrong with that?

I'd like to know

'Cause here I go... again...

Love lifts us up where we belong!

Where eagles fly

On a mountain high!

Love makes us act like we are fools

Throw our lives away

For one happy day

We could be heroes...

Just for one day

You, you will be mean

No, I won't

And I, I'll drink all the time

We should be lovers...

We can't do that

We should be lovers!

And that's a fact

Though nothing, would keep us together

We could steal time...

Just for one day

We could be heroes

Forever and ever

We could be heroes

Forever and ever

We can be heroes...

Just (8)_____ I... will always (9)_____ you...

I can't help loving...

You

How wonderful life is

Now you're in

The world...

Answer

1. night
2. crazy
3. give
4. your
5. that
6. around
7. with
8. because
9. love
