

'Cause here I go... again...

## Fill in the gaps

## Elephant Love Medley by Ewan McGregor & Nicole Kidman

Love is a many splendored thing, love	Love lifts us up (15) we belong!
Lifts us up where we belong	Where (16) fly
All you (1) is love!	On a mountain high!
Please, don't start (2) again	Love makes us act (17) we are fools
All you need is love!	Throw our lives away
A girl has got to eat!	For one happy day
All you need is love!	We could be heroes
She'll end up on the street!	Just for one day
All you need is love!	You, you will be mean
Love is just a game	No, I won't
I was made for (3) you baby	And I, I'll drink all the time
You were (4) for loving me	We should be lovers
The (5) way of (6) me baby	We can't do that
Is to pay a lovely fee	We should be lovers!
Just one night	And that's a fact
Give me just one night	Though nothing, (18) keep us together
There's no way	We could steal time
'Cause you can't pay	Just for one day
In the name of love!	We (19) be heroes
One night in the name of love!	Forever and ever
You crazy fool	We (20) be heroes
I won't give in to you	Forever and ever
Don't, leave me this way	We can be heroes
I can't survive, (7) your sweet love	Just because I (21) always love you
(Oh) baby, don't leave me this way	I can't help loving
You'd think (8) people	You
Would've had enough of silly love songs	How wonderful (22) is
I look around me and I see it isn't so (oh no)	Now you're in
Some (9) (10) (11)	The world
the world (12) silly (13) songs	
Well what's wrong with that?	
I'd (14) to know
