***		
A (1) fairytale beginning		
Or just another white trash county kiss		
In '61 long brown hair and foolish eyes		
He looked just like you'd want him to		
Some kind of slick chrome American Prince		
A (2) jean serenade		
And moon river what you do to me		
And I don't believe you		
Saw Cinderella in a party dress		
But she was looking for a nightgown		
I saw the devil wrapping up his hands		
He's getting ready for the showdown		
He's getting ready for the showdown		
He's getting ready for the showdown I saw the (3) that I turned away		
5 5 ,		
I saw the (3) that I turned away		
I saw the (3) that I turned away I got my money on a palm tonight		
I saw the (3) that I turned away I got my money on a palm tonight Change (4) in disguise of revelation		
I saw the (3) that I turned away I got my money on a palm tonight Change (4) in disguise of revelation Set his soul on fire		
I saw the (3) that I turned away I got my money on a palm tonight Change (4) in disguise of revelation Set his soul on fire She says she always knew he'd come around		
I saw the (3) that I turned away I got my money on a palm tonight Change (4) in disguise of revelation Set his soul on fire She says she always knew he'd come around And the decades disappear like sinking ships		
I saw the (3) that I turned away I got my money on a palm tonight Change (4) in disguise of revelation Set his soul on fire She says she always knew he'd come around And the decades disappear like sinking ships But we persevere God gives us hope		
I saw the (3) that I turned away I got my money on a palm tonight Change (4) in disguise of revelation Set his soul on fire She says she always knew he'd come around And the decades disappear like sinking ships But we persevere God gives us hope But we still fear what we don't know		
I saw the (3) that I turned away I got my money on a palm tonight Change (4) in disguise of revelation Set his soul on fire She says she always knew he'd come around And the decades disappear like sinking ships But we persevere God gives us hope But we still fear what we don't know The mind is poison		

But sne was (5)1	for a nightgown	
I saw the devil wrapping up his hand	ds	
He's getting ready for the showdown	n	
I saw the ending when they (6)	the page	
I took my money and I ran away		
Straight to the valley of the (7)	divide	
Out where the dreams are high		
Out where the wind don't blow		
Out here the good girls die		
And the sky won't snow		
Out here the birds don't sing		
Out here the fields don't grow		
Out here the bell don't ring		
Out here the bell don't ring		
Out here the (8) (9)	die	
Now (10)	don't you go to sleep	
It's such a bitter form of refuge		
(Oh) don't you know the kingdom's under siege		
And everybody needs you		
Is there still magic in the midnight se	un	
Or did you leave it back in '61?		
In the cadence of a young man's ey	es	
I wouldn't dream so high
