

## Fill in the gaps

## Tranquilize by The Killers & Lou Reed

Time it tells living in my (1) town	Acid rain, when Abel looked up at Cain
Wedding bells, they (2) easy	We (15) the weeping and wailing
Live it down, baby don't talk that much	A hurried high from (16) pills and
Baby knows, but baby don't (3) me	pride
In the park we could go walking	It's a shame, we could have gone sailing
Drowned in the dark	But heaven knows
Or we could go sailing on the sea	Heaven knows everything
Always here, (4) on time	Tranquilize
Close call, was it love or was it (5) easy?	I got this feeling (17) they're gonna
Money talks when people need shoes and socks	(18) down the door
Steady boys, I'm (6) she needs me	I got this feeling that they're gonna come back for more
I was just sipping on something sweet	See I was thinking that I lost my mind
I don't need political process	But it's been getting to me all this time
I got (7) feeling that they're gonna break down the	And it don't stop (19) me down
door	Silently reflection turns my world to stone
I got this feeling that they're gonna come back for more	Patiently correction leaves us all alone
See I was thinking that I lost my mind	And sometimes I'm a travel man
But it's been getting to me all (8) time	But tonight (20) engine's failing
And it don't stop dragging me down	I (21) hear the (22) playing
Silently reflection turns my world to stone	Dead (23) dancers, (24) to us and stay
Patiently (9) leaves us all alone	'Cause I don't care where you've been
And (10) I'm a travel man	And I don't care what you've seen
But (11) this engine's failing	We're the ones who (25) believe
I still hear the children playing	And we're looking for a page
Kick the can, (12) the can	In that lifeless book of hope
Skip and blackjack	Where a dream might help you cope
Steal a car and (13) a round-rosey	With the Bushes and the bombs
Rock and roll, candyland, boogeyman	Tranquilize
Run away and (14) me your sneakers
