¡Happy Birthday Guadalupe! by The Killers

Well I woke up Christmas morning	"Baby will you marry me for just one dance?"	
And what did I see?	Infatuation, the things you say	
I saw a (1) señorita looking back at me	I got (4) and I left that night	
Named Guadalupe	'Cause we are living' in a difficult time	
With big brown eyes	We've been walking down a (5)	line
Boy what did you do this time?	Put your feet up baby, it's Christmas time	
Made my excuses	(Cumpleaños feliz)	
And a beeline for the bedroom door	Happy Birthday Guadalupe	
She was begging' and a-pleading, screaming	Deck the halls with rosaries	
("Por favor, mi cumpleaños")	Wish upon a Christmas tree	
Stay with me	Silent (6) please come to me	
Baby it's cold outside	Bearing (7) from my	
We are living' in a difficult time	My Mexican angel	
We've been walking' down a difficult line	At night I wake up cold and lonely	
Put (2) feet up baby, it's Christmas time	Busting at the seams	
(Cumpleaños feliz)	She haunts the early morning hours	
Happy Birthday Guadalupe	Of December dreams	
(Our time will come)	My Guadalupe, (8) big brown eyes	
(Oh oh oh we both hold on)	I wanna break the (9) tonight	
She gave me coffee and tortillas	'Cause we are living' in a difficult time	
To console my head	We've been walking' down a (10)	lin
Then laid the slippers on my feet	Put your feet up baby, it's Christmas time	
Before she made our bed	(Cumpleaños feliz)	
And blew the candles from her favourite cake	Happy Birthday Guadalupe	
And we kissed (3) the mistletoe	Happy Birthday Guadalupe	
I pulled her body close to mine		
And I had just one chance		
I whisper
