## ¡Happy Birthday Guadalupe! by The Killers

vveii i woke up Christmas morning		Baby will you marry me for just one dance?	
And what did I see?		Infatuation, the things you say	
I saw a (1)	señorita looking back at me	I got scared and I left that night	
Named Guadalupe		'Cause we are living' in a difficult time	
With big brown eyes		We've been walking down a difficult line	
Boy (2) did you do this time?		Put (6) (7) up baby, it's Christmas time	
Made my excuses		(Cumpleaños feliz)	
And a beeline for the bedroom door		Happy Birthday Guadalupe	
She was begging' and a-pleading, screaming		Deck the halls with rosaries	
("Por favor, mi cumplea	años")	Wish (8) a (9)	tree
Stay with me		Silent night please come to me	
Baby it's cold outside		Bearing gifts from my	
We are living' in a difficult time		My Mexican angel	
We've been walking' down a difficult line		At night I wake up cold and lonely	
Put (3) feet up baby, it's Christmas time		Busting at the seams	
(Cumpleaños feliz)		She haunts the early morning hours	
Happy Birthday Guadalupe		Of December dreams	
(Our time will come)		My Guadalupe, with big (10)	eyes
(Oh oh oh we both hold on)		I wanna break the spell tonight	
She gave me coffee and tortillas		'Cause we are living' in a difficult time	
To console my head		We've been walking' down a difficult line	
Then laid the (4)	on my feet	Put your feet up baby, it's Christmas time	
Before she made our bed		(Cumpleaños feliz)	
And blew the candles from her favourite cake		Happy Birthday Guadalupe	
And we kissed beneath the mistletoe		Happy Birthday Guadalupe	
I pulled her body close	to mine		
And I had (5)	one chance		
I whisper			

- 1. lovely
- 2. what
- 3. your
- 4. slippers
- 5. just
- 6. your
- 7. feet
