### He Didn't Have To Be by Brad Paisley

when a single mom (1) out on a date with	i met the girl that's now my wife
Somebody new	About three years ago
It always (2) up feeling more like	We had the perfect marriage but
A job interview	We (13) something more
My momma used to wonder	Now here I stand (14) by our family
If she'd (3) meet someone	and friends
Who wouldn't find out (4) me and then	Crowded 'round the nursery window
Turn (5) and run	As they (15) the baby in
I met the man I call my dad	And now, all of a sudden
When I was five (6) old	(Oh) it (16) so strange to me
He (7) my mom out to a movie	How we've gone from something's
And for (8) I got to go	Missing to a family
A few months later, I remember	Looking through the glass, I think
Lying there in bed	About the man that's standing next to me
I overheard him pop the question	And I (17) I'm at (18) half the dad
And I prayed (9) she'd say yes	That he didn't have to be
And then, all of a sudden	And looking (19) all I can say about
(Oh) it seemed so (10) to me	All the things he did for me
How we (11) from something's	Is I (20) I'm at least
Missing to a family	Half the dad that he didn't have to be
Looking back, all I can say about	Because he didn't (21) to be
All the things he did for me	You know he didn't have to be
Is I hope I'm at least	
Half the dad that he didn't (12) to be
