## He Didn't Have To Be by Brad Paisley

When a single mom goes out on a date with	I met the (5) that's now my wife
Somebody new	About three years ago
It always winds up feeling more like	We had the perfect marriage but
A job interview	We wanted (6) more
My momma used to wonder	Now here I stand surrounded by our family and friends
If she'd ever meet someone	Crowded 'round the nursery window
Who wouldn't (1) out about me and then	As they bring the baby in
Turn around and run	And now, all of a sudden
I met the man I call my dad	(Oh) it seems so strange to me
When I was five years old	How we've gone from something's
He took my mom out to a movie	Missing to a family
And for once I got to go	Looking through the glass, I think
A few months later, I remember	About the man that's (7) next to me
Lying there in bed	And I hope I'm at (8) half the dad
I (2) him pop the question	That he didn't have to be
And I prayed that she'd say yes	And looking back all I can say about
And then, all of a sudden	All the things he did for me
(Oh) it seemed so strange to me	Is I hope I'm at least
How we went (3) something's	Half the dad that he didn't have to be
Missing to a family	Because he didn't (9) to be
Looking back, all I can say about	You know he didn't (10) to be
All the things he did for me	
Is I hope I'm at least
