

Fill in the gaps

I'm sorry I didn't (1) to call you but I couldn't fight it	(Vida)
I guess I was weak and couldn't even hide it	Give me back my (7) (my fantasies)
And so I surrender just to hear your voice	The courage that I need to live (to live)
(Just to hear your voice)	The air that I breathe
I know how many times I said I'm gonna live without you	(Cariño mío)
And maybe someone (2) is standing	My world becomes so empty
(3) beside you	My day's are so (8) and lonely
But there's something baby that you need to know	And each night I taste
That deep inside me	The purest of pain
I feel like I'm dying (I feel like I'm dying)	(Vida)
I have to see you	Give me back my fantasies (my fantasies)
It's all that I'm asking	The courage that I need to live (to live)
(Vida)	The air that I breathe
Give me back my fantasies	(Cariño mío)
The courage that I need to live	My world becomes so empty
The air (4) I breathe	My day's are so cold and lonely
(Cariño mío)	Each night I taste
My (5) becomes so empty	The purest of pain
My day's are so cold and lonely	(Vida) give me back my fantasies
Each night I taste	The courage that I need to live
The purest of pain	The air that I breathe, breathe
I wish I could tell you I'm feeling better every day	I'm sorry I didn't (9) to call you but I couldn't fight
That it didn't hurt me when you walked away	I guess I was weak and couldn't even hide it
But to tell you the truth I can't find my way	And so I surrender
And (6) inside me	Just to hear your voice
I feel like I'm dying (I feel like I'm dying)	
I have to see you	
It's all that I'm asking, baby	

Answ 1. mean
