Fill in the gaps

Something About December by Christina Perri

Lights around the tree	Every Christmas dream
Mama's whistling	They live in you and me
Takes me back again	Let all (4) memories hold you close
There's something about December	No matter (5) you are
We're hanging mistletoe	You're not alone
And hoping (1) it snows	Because the ones you love are never far
I close my eyes and then	If Christmas is in your heart
I can still remember	Lights around the tree
How to get back home	Mama's whistling
Let all your memories hold you close	Takes me back again
No matter where you are	There's something about December
You're not alone	Let all (6) memories hold you close
Because the ones you love are never far	No matter where you are
If Christmas is in (2) heart	You're not alone
Who really (3) a gift	Because the (7) you love are never far
When love is meant to give	If Christmas is in your heart
I can still recall	
Carry with me always
