

You drink more than you used to Fell in love, how could you Trust your heart like only fools do Go on, let it bleed You smoked ten, now it's twenty Bet you wish you never met me To stick around, you must be crazy Go on, let it bleed I told you never to get used to me I still awake when you fall asleep I'm a whole lot of trouble We're in a whole lot of trouble I told you you should never follow me But here we are, and you're into deep I'm a whole lot of trouble We're in a (1)___ ____ lot of trouble You shout louder (2)_____ you used to And you hold on tighter in the bedroom Stick around like imma change soon Go on, let it bleed As you stand there trying to save me Use your head and, babe, believe me
