

## Fill in the gaps

lust tell me (1) you've got to say to me	And you're such a charming, handsome man
ve been waiting for so (2) to hear the truth	Now I think I finally understand
t comes as no surprise at all you see	Is it in your genes, I don't know
So cut the crap and tell me that we're through	But I'll soon find out, that's for sure
Now I know your heart, I know your mind	Why did you play me this way
ou don't (3) know you're being unkind	Well I guess what you say is true
So much for all your highbrow Marxist ways	I (8) never be the right kind of girl for yo
lust use me up and then you walk away	I could never be your woman
Boy, you can't play me that way	I could never be your woman
Vell I guess what you say is true	I (9) never be your woman
could (4) be the right (5) of girl for	I could never be your woman
ou ou	Well I guess what they say is true
could never be (6) woman	I could never spend my life with a man like you
could never be your woman	I could never be your woman
could never be your woman	I could never be your woman
could never be your woman	I could never be your woman
When I saw my best friend yesterday	I (10) never be your woman
She said she never liked you from the start	
Vell me, I wish that I could claim the same	
But you (7) knew you held my heart
