

But you always knew you held my heart

Fill in the gaps

Just tell me what you've got to say to me	And you're (15) a charming, handsome man
I've (1) (2) for so (3)	Now I think I finally understand
to hear the truth	Is it in (16) genes, I don't know
It comes as no surprise at all you see	But I'll (17) find out, that's for sure
So cut the (4) and tell me that we're through	Why did you (18) me (19) way
Now I know your heart, I know your mind	Well I guess what you say is true
You don't even know you're being unkind	I could never be the right kind of girl for you
So much for all your highbrow Marxist ways	I could never be your woman
Just use me up and then you walk away	I could never be (20) woman
Boy, you can't (5) me (6) way	I (21) never be your woman
Well I (7) what you say is true	I could never be your woman
I could never be the (8) kind of girl for you	Well I (22) what they say is true
I (9) the your woman	I could never spend my life (23) a man
I (11) never be your woman	(24) you
I could never be your woman	I (25) never be your woman
I could never be your woman	I could never be your woman
When I saw my (12) friend yesterday	I could never be your woman
She said she never (13) you (14) the	I could never be your woman
start	
Well me I wish that I could claim the same	

1. been

2. waiting
