

Fill in the gaps

Shadows (1) an empty heart	Never went away
As (2) is fading	What if it's (16) behind
From all the things that we are	Words we could never find
But are not saying	Baby, before it's too late
Can we see beyond the scars	What about now
And make it to the dawn	Now that we're here
Change the colours of the sky	Now (17) we've come this far
And (3) up to	Just hold on
The ways you (4) me feel alive	There is (18) to fear
The ways I loved you	For I am (19) (20) you, for
For all the things that never died	All my life I am yours
To make it through the night, love (5) (6)	What about now
you	What about today
What about now	What if you're making me
What (7) today	All that I was meant to be
What if you're (8) me	What if our love
All (9) I was meant to be	Never (21) away
What if our love	What if it's lost behind
Never (10) away	Words we could never find
What if it's lost behind	What (22) now
Words we could never find	What about today
Baby, (11) it's too late	What if you're making me
What about now	All that I was meant to be
The sun is breaking in your eyes	What if our love
To start a new day	Never went away
This broken (12) can still survive	What if it's (23) behind
With a touch of your grace	Words we could never find
Shadows fade (13) the light	Baby, (24) it's too late
I am by your side (14) love will find you	Baby, before it's too late
What (15) now	Baby, before it's too late
What about today	What about now
What if you're making me	
All that I was meant to be	
What if our love
