(1) to my (2) in Memphis	I know (12) you've (13) (14)
And I told her you were movin' to town	changin'
Here's her number	And I (15) there's no changin' your mind
She said she'd be (3) to show you around	And yes I know
(4) a map on your front seat	We've been through this a (16) times
Just in (5) you lose (6) way	And I'm sorry for (17) holdin' on
But don't worry, (7) you reach Saddlesong	I'll try to let go and I'll try to be strong
t's all interstate	And I wish you the best
know you need to go	And I wish you (18) less
But before you do I (8) you to know	Than (19) (20) you've
That I (9) you the best	(21) dreamed of
And I wish you nothing less	And I hope that you find love along the way
Than every thing you've ever dreamed of	But most of all
And I hope that you find love along the way	I wish you'd stay
But most of all	Yes, (22) you've (23)
wish you'd stay	dreamed of
(10) right about sundown	And I hope that you'll find love along the way
You'll be in (11) Tennessee	But most of all
And by then	I wish you'd stay
Maybe I'll understand why you had to leave	Yeah, I (24) you'd stay
