Trouble is her only friend	I know (6) it means and
And he's back again	I'll (7) you home
Makes her (1) older	I'll carry you home
Than it really is	And they were all born pretty
She says it's high time she went away	In New York City at night
No one's got much to say	And someone's (8) girl
In this town	Was taken from the world tonight
Trouble is the only way is down	Under the (9) and stripes
Down, down	As strong as you were
As strong as you were	Tender you go
Tender you go	I'm watching you breathing
I'm watching you breathing	For the last time
For the last time	A song for (10) heart
A song for your heart	But when it is quiet
But when it is quiet	I know what it means and
I know (2) it means and	I'll carry you home
I'll carry you home	As strong as you were
I'll carry you home	Tender you go
If she had (3) she would fly away	I'm watching you breathing
And another day God (4) give her some	For the last time
Trouble is the only way is down	A song for your heart
Down, down	But when it is quiet
As strong as you were	I know what it means and
Tender you go	I'll carry you home
I'm watching you breathing	I'll carry you home
For the last time	
A song for (5) heart	
But when it is quiet
