Fill in the gaps

The World Moves On (Studio) by Jens Lekman

(And (1)_____ (2)_____ is called)

(The world moves on)

The thermometer ran out of numbers

When it reached 50 degrees

I just lay down on the floor

With a bag of frozen peas

We saw plumes of smoke rising

In the distance from our balcony

I poured a glass of wine

Sucked the juice out of a kiwi

Catherine turned on the TV

They showed acres after acres

Of absolutely nothing

And then Stevie (3)_____ and said

Are you watching what I'm watching?

I said I'm watching what you're watching

But what is it I'm watching?

The night before I had been bored

And my legs had (4)_____ restless

It was my birthday

I'd already opened up my presents

At the social club, I met some friends

Who were friends with this girl

One by one they dropped off

Till it was just me and her

We made out in every bar in town

While the state of Victoria

Burned down to the ground

And the sun rose over the city

Fill in the gaps

The (5)_____ swept through the valley

And you don't get (6)_____ a broken heart

You just learn to carry it gracefully

The Edinburgh Gardens offered

Some (7)_____ of shade

I would pick up (8)_____ beers

And head down there late

Watch the possums and listen

To their (9)_____ banter

There was one I liked especially

I named her Sam as in Samantha

I offered a slice of apple from my hand

She would sniff it, frown

And (10)_____ lumber back to the trash can

I was (11)_____ uphill on my Malvern Star

When I was passed by a scooter

You got a dollar or a cigarette?

Hey, I'm talking to you, poofter

What I should have said was nothing

What I said was "get lost"

Next time I'm upside-down with my bike in the dust

Spitting dirt all the way home

Cursing the very ground that I was chewing on

And the sun rose over the city

The wind swept (12)_____ the valley

And you don't get over a broken heart

You just learn to carry it gracefully

And that's what it's like

When you've had your heart broken

The world just shrugs its shoulders

Fill in the gaps

And gets going

It just moves on in all its sadness and glory

Over dinner (13)_____ a friend

I tell her my story

And as I finally put the book

Back on the shelf

She says

Maybe it's time you (14)_____ a look at yourself

No one's born an *******

It takes a lot of hard work

But God (15)_____ I've worked my ass off

To be a jerk

So many hands I've held

While wondering why I felt nothing

And why, when I let go of (16)_____ hand

I always start to feel something

And like a (17)_____ smashed against my head

She'd say

I (18)_____ you just would've cheated on me instead

And (19)_____ without loving

Is (20)_____ the worst crime

I know all the signs and signals

'Cause now I've been on both sides

The way you choose your words

The (21)_____ of your hand

I (22)_____ died when you introduced me as a friend

How can you (23)_____ me a friend?

If you don't love me

Then please have the (24)_____ to tell me

But I (25)_____ said any of that

Fill in the gaps

I just shook that hand

And looked down at the doormat

The sun rose over the city

The (26)_____ swept (27)_____ the valley

And you don't get over a (28)_____ heart

You just learn to carry it gracefully
