

And they said: speak now

## Fill in the gaps

\_\_ in the room

\_ door

I am not the kind of girl		Don't say yes, run away now		
Who should be rudely (1)	in	I'll meet you when you're out		
On a white (2) occasion		Of the church at the back door		
But you are not the (3) of boy		Don't wait, or say a single vow		
Who should be marrying the wrong girl		Your time is (19) out		
I sneak in and see your friends		And they said speak now		
And her snotty (4) family	all dressed in pastel	•••		
And she is yelling at a bridesmaid		(Ooh, ooh)		
Somewhere (5) inside a room		I hear the preacher say		
Wearing a gown shaped (6) a pastry		Speak now or forever hold your peace		
This is surely not what you thought it (7) be		There's the silence, there's my last chance		
I lose (8) in a daydream		I stand up with shaky hands, all eyes on me		
Where I stand and say		Horrified looks from (20) in the		
Don't say yes, run away now		But I'm only looking at you		
I'll meet you when you're out		I'm not the (21) of girl		
Of the (9) at the (10) door		Who should be rudely barging in		
Don't wait, or say a single vow		On a white veil occasion		
You need to hear me out		But you are not the (22)	of boy	
And they said: speak now		Who should be marrying the (23) girl		
Fond gestures are exchanged		So don't say yes, run away now		
And the organ starts to play		I'll meet you when you're out		
A song that sounds (11) a (12)		Of the (24) at the (25) of		
march		Don't wait, or say a single vow		
And I am hiding in the curtains		You need to hear me out		
It seems I was uninvited by your lovely (13) to		And they said: speak now		
be		And you'll say let's run away now		
She floats down the aisle (14) a pageant queen		I'll meet you when I'm out		
But I (15) you wish it was me		Of my tux at the back door		
You wish it was me		Baby, I didn't say my vows		
Don't you?		So glad you (26) a	round	
Don't say yes, run (16) now		When they said (27)	now	
I'll (17) you when you're out				
Of the (18) at the back d	oor			
Don't wait, or say a single vow				
You need to hear me out
