

Fill in the gaps

Loving him is (1) driving a new Maserati	Forgetting him was like
Down a dead end street	Trying to know (13) you never met
Faster than the wind, passionate as sin	But loving him was red
Ending so suddenly	(Oh) red
Loving him is like trying to change your mind	Burning red
Once you're (2) (3) through	Remembering him comes in (14)
the free fall	and echoes
Like the colors in autumn so bright	Tell myself it's time now gotta let go
Just before they (4) it all	But (15) on from him is impossible
Losing him was blue, like I'd never known	When I (16) see it all in my head
Missing him was (5) gray, all alone	In burning red
Forgetting him was like	Burning, it was red
Trying to know somebody you've never met	(Oh) losing him was blue, (17) I'd never known
But loving him was red	Missing him was dark gray, all alone
Loving him was red	Forgetting him was like
Touching him was like realizing all you ever wanted	Trying to know somebody you've never met
Was right (6) in (7) of you	'Cause loving him was red
Memorizing him was as (8) as knowing all the	Yeah yeah red
words	Burning red
To your old favorite song	And (18) why he's spinning
Fighting with him was like (9) to	(19) in my head
(10) a crossword	Comes (20) to me in (21) red
And realizing there's no right answer	Yeah
Regretting him was like	His love was like (22) a new Maserati
Wishing you never found out	Down a dead end street
That love (11) be that strong	
Losing him was blue, like I'd (12) known	
Missing him was dark gray, all alone
