Haunted by Taylor Swift

Fill in the gaps

You and I walk a fragile line	Something's gone terribly wrong
I have known it all this time	You're all I wanted
But, I never thought I'd live to see it break	Come on, come on
It's getting dark and its all too quiet	Don't (7) me like this
And I can't trust anything now	I thought I had you figured out
And it's coming over you (1) it's all a big mistake	e Can't breathe whenever you're gone
(Oh oh) holding my breath	Can't turn (8) now
Won't lose you again	I'm haunted
Something's made your eyes go cold	I know, I know
Come on, come on	I just know
Don't leave me like this	You're not gone
I thought I had you figured out	You can't be gone
Something's gone terribly wrong	No
You're all I wanted	Come on, come on
Come on, come on	Don't leave me like this
Don't leave me like this	I (9) I had you figured ou
I thought I had you figured out	Something's gone terribly wrong
Can't breathe whenever you're gone	Won't finish (10) you started
Can't turn back now	Come on, come on
I'm haunted	Don't leave me like this
Stood there and watch you walk away	I thought I had you figured out
From everything we had	Can't breathe whenever you're gone
But, I still mean every word I said to you	Can't go back
He (2) try to (3) away my pain	I'm haunted
And he (4) might make me smile	
But, the whole time I'm wishing he was you instead	You and I walk a fragile line
(Oh oh) holding my breath	I have known it all this time
Won't see you again	But I never thought I'd see it break
Something keeps me holding onto nothing	Never thought I'd see it
Come on, (5) on	
Don't leave me like this	
I (6) I had you figured out
