l ogether we cry	But life happened, house, kids, two cars
Together we cry	Husband hits the jar
Jenny was a poor girl	Cheques that don't go (16) far now
Living in a rich world	Now she in it, can't change it
Named her (1) Hope when she was just fourteen	She keeps her mind on her wages
She was (2) for a better world	The only rattling cages are her own
For (3) little girl	(Together we cry)
But the apple doesn't fall too far from the tree	Together we cry
Well she (4) that call, hope's too far gone	There's so much sad gonna flood an ocean
Her baby's on the way	We're all in (17) (18) a world that's
But nothing (5) inside	broken
Together we cry (together we cry)	Together we cry, oh we cry, we cry, oh we cry
What about the (6) head	There (19) a time when every bird has to fly
Could (7) (8) the whole way	At some point every (20) has to die
Lighting up the stage trying to get a deal	It's hard to let your children go leave home
Now he's (9) up the wrong way	Where (21) go, who knows, (22)
Something for the pain	drunk
Man you (10) see (11) kid he was so	Getting stoned, all alone
() unreal	Teach a man to fish, you'll feed him (23) lie
When he (12) that call he's too far gone	You show your kids the truth, hope they never lie
To get it together to sing one song	Instead of reading in a letter
They won't hear tonight	That they've (24) to something better
The words of a lullaby	Bet your sorry now, I won't be coming home tonight
Together we cry	I'm (25) of looking for those (26) ir
(Yeah, yeah)	the sky
Together we cry	To teach us how to fly, together we cry, together we cry
Together we cry	Together we cry
Oh we cry, we cry	Cry
(Oh we cry, we cry)	Together we cry
Together we cry	There's so much sad gonna flood an ocean
Mary's ambitious, she wanna be a politician	We're all in tears from a (27) that's broken
She been (13) about it since she was a	Together we cry
girl	Together we cry
She (14) that she'd be the one	Together we cry
