

Bodies in the way of me

Fill in the gaps

God (1) me the sunshine	Bodies in the cemetery
Then showed me my lifeline	And that's the way it's gonna be
was told it was all mine, then I got laid on a late line	All we've ever wanted
What a day, what a day	Is to look good naked
And your Jesus really (2) for me	Hope that someone can take it
Then Jesus really tried for me	God save me rejection
JK and entropy	From my reflection
feel like it's (****) me	I want perfection
Wanna feed off the energy	Bodies in the Bodhi tree
_ove living like a deity	Bodies making chemistry
What a day, one day	Bodies on my family
And your Jesus really died for me	Bodies in the way of me
guess Jesus really tried for me	Bodies in the cemetery
Bodies in the (3) tree	Bodies in the Bodhi tree
Bodies making chemistry	Bodies making chemistry
Bodies on my family	Bodies on my family
Bodies in the way of me	Bodies in the way of me
Bodies in the cemetery	Bodies in the cemetery
And that's the way it's gonna be	And that's the way it's (7) be
All we've ever wanted	All we've ever wanted
s to look (4) naked	Is to (8) naked
Hope (5) someone can take it	Hope that someone can take it
God save me rejection	So God save me rejection
From my reflection	From my reflection
want perfection	I want perfection
Praying for the Rapture	Jesus didn't die for you
Cause it's stranger getting stranger	What did you want
And everything's contagious	I want perfection
t's the modern middle ages	Jesus didn't die for you
All day, (6) day	What did you want
And if Jesus really died for me	Oh Lord
Then Jesus really tried for me	Jesus came and died for you
Bodies in the Bodhi tree	Jesus came and died for you
Bodies making chemistry	Jesus came and died for you
