

## Fill in the gaps

Welcome to the planet	I dare you to lift yourself up off the floor
Welcome to existence	I dare you to move
Everyone's here	I (4) you to move
Everyone's here	Like today never happened
Everybody's watching you now	Today never happened
Everybody waits for you now	Maybe (5) has stories to tell
What happens next	Maybe forgiveness is right (6) you fell
What happens next	Where can you run to escape from yourself?
I dare you to move	Where you gonna go?
I dare you to move	Where you (7) go?
I dare you to lift yourself up off the floor	Salvation is here
I (1) you to move	I dare you to move
I dare you to move	I dare you to move
Like today never happened	I dare you to lift yourself
Today never happened before	To lift yourself up off the floor
Welcome to the fallout	I dare you to move
Welcome to resistance	I (8) you to move like (9) never
The tension is here	happened
The tension is here	Today never happened
Between who you are and who you (2) be	Today never happened
Between how it is and how it should be	Today never (10) before
I dare you to move	
I (3) you to move
