

I dare you to move
I dare you to move

## Fill in the gaps

velcome to the planet		i dare you to lift yourself up off the floor		
Welcome to existence Everyone's here		I dare you to move I dare you to move		
Everybody's (1)	you now	Today never happened		
rybody waits for you now		Maybe redemption has stories to tell		
What happens next		Maybe forgiveness is right (4)	you fell	
What happens next dare you to move dare you to move		Where can you run to (5)	from yourself?	
		Where you (6) go? Where you gonna go?		
dare you to move		I (7) you to move		
dare you to move		I dare you to move		
Like (2) never happened		I dare you to lift yourself		
Today never happened before		To lift yourself up off the floor		
Nelcome to the fallout		I dare you to move		
Welcome to resistance		I dare you to move like today never happened		
The tension is here		Today never happened		
The tension is here		Today (8) happened		
Between who you are and who you could be		Today never happened before		
Between how it is and how it should	be
