She's (1) and she's cruel	She won't pick up the phone
But she knows what she's doin'	She'd (4) be alone
She pushed me in the pool	But I can't give up just yet
At our last school reunion	'Cause every word she's ever said
She laughs at my dreams	Is (5) ringin' in my head
But I dream about her laughter	Still ringin' in my head
Strange as it seems	She's cold and she's cruel
She's the one I'm after	But she knows what she's doin'
'Cause she's bittersweet	Knows just what to say
She knocks me off of my feet	So my whole day is ruined
And I can't help myself	'Cause she's bittersweet
I don't (2) anyone else	She knocks me off of my feet
She's a mystery	And I can't help myself
She's too much for me	I don't want anyone else
But I keep comin' back for more	She's a mystery
She's just the girl I'm lookin' for	She's too much for me
She can't keep a secret	But I keep comin' back for more
For more than an hour	'Cause she's bittersweet
She runs on 100 proof attitude power	She knocks me off of my feet
And the more she ignores me	And I can't help myself
The (3) I adore her	I don't want anyone else
What can I do?	She's a mystery
I'd do anything for her	She's too much for me
'Cause she's bittersweet	But I (6) comin' back for more
She knocks me off of my feet	(Oh) I (7) comin' back for more
And I can't help myself	She's just the girl I'm lookin' for
I don't want anyone else	Just the girl I'm lookin' for
She's a mystery	I'm lookin' for
She's too much for me	I'm lookin' for
But I keep comin' back for more	I'm lookin' for
She's just the girl I'm lookin' for	Just the (8) I'm lookin' for
And when she sees it's me
