

Fill in the gaps

It's been a long way	I feel so low (5) you're away
I tried hard not to fall apart	So reach out, it's not far
Every night I pray	Listen to me pray
And your voice is singing in my heart	Destiny
I have been waiting	I've been looking for (6) to guide me
A long time for you to take my hand	Destiny
Loving and hating	Even though I tried I can't (7) you
A desire that I (1) understand	If I let you go (let you go)
I can't breath, I can't sleep	I betray my soul (my soul)
Why can't I get through to you?	I know that this is something more
I can't think, I can't speak	Even though (even though), nothing's spoken for (spoken for)
What am I to do?	A way that you will feel the same
Destiny	'bout mee ooohhh
I've been looking for something to (2) me	If I let you go (let you go)
Destiny	I betray my soul (my soul)
Even though I've tried I can't deny you	I know this is (8) more
If I let you go, I'd betray my soul	Even though, (even though) nothing spoken for (spoken for)
I know that this is something more	I pray (9) you will (10) the same 'bout
Even though nothing's spoken for,	me
a way that you will feel the same (3) me	Destiny
Destiny	Faith is within me
Intrumental	Destiny
