

## Fill in the gaps

I gotta tell you what I'm feeling inside	Forever
I could lie to myself, but it's true	Until my (3) is thru
There's no denying when I look in (1) eyes	Girl I'll be loving you forever
Girl I'm out of my head over you	I see my (4) when I (5) in your
I lived so long believing all love is blind	eyes
But everything about	It took your love to make my heart come alive
Is telling me this time	I lived my life believing all love is blind
It's forever	But everything about you is (6) me this time
This time I know and there's no doubt in my mind	It's forever
Forever	This time I know and there's no (7) in my mind
Until my life is thru, girl I'll be loving you forever	Forever
I hear the echo of a promise I made	Until my (8) is thru
When you're strong you can stand on your own	Girl I'll be loving you forever (oh)
Those words grow distant as I look at your face	It's forever
No, I don't wanna go it alone	This time I know and there's no doubt in my mind
I never thought I'd lay my heart on the line	Forever
Everything about you is telling me this time	Until my (9) is thru
It's forever	Girl I'll be loving you forever
This time I know and there's no (2) in my mind
