

## Fill in the gaps

Tryin' to say I'm sorry
I didn't mean to break your heart
And find you waitin' up by the light of day
There's a lot I want to tell you
But I don't know where to start
And I don't know what I'd do if you walked away
(Ooh) baby I tried to make it
I just got lost along the way
But every time I look at you
No matter what I'm goin' thru
It's (1) to see
And every time I hold you
The things I never told you
Seem to come easily
'Cause you're everything to me
I never really wanted to let you get inside my heart
I wanted to (2) this would soon be ending
I thought it wouldn't matter
If it all just (3) apart
But now I realize I was (4) pretending
(Ooh) baby, I know I hurt you
But you can still believe in me
'Cause (5) time I look at you
No matter what I'm goin' thru
It's easy to see
And every time I hold

The things I never told you
Seem to come easily
'Cause you're everything to me
It's gonna take a little time to show you
Just what you mean to me
Oh yeah
It seems the more I get to know you
The more I need to make you see
You're everything I need, yeah
I need you, I (6) you
I need you, I need you yeah, yeah
(Ooh) baby, baby, baby, I know I hurt you
But you can still believe in me
'Cause every time I look at you
No matter what I'm goin' thru
It's (7) to see
And every time I hold you
The things I never (8) you
Seem to (9) easily
'Cause you're everything to me
You're (10) to me
You're everything to me
