Window Seat by Erykah Badu

Fill in the gaps

	Back and forth like Lightning Hopkins
So, presently I'm standing	If anybody speak to Scotty
Here right now, you're so demanding	Tell him, beam me up
Tell me what you want from me	So can I get a window seat
Concluding	Don't want nobody next to me
Concentrating on my music, (1) and my babies	I just want a ticket out of town
Makes me wanna ask the lady for a ticket out of town	A look around and a safe touch down
So can I get a window seat	Can I get a window seat
Don't want nobody (2) to me	Don't want nobody next to me
I just want a ticket out of town	See, I just (6) a chance to fly
A look around and a safe touch down	A chance to cry and a long bye-bye
(Can I get) a window seat	
Don't want nobody next to me	But I, I need you to miss me
I just want a chance to fly	I need somebody come get me
A chance to cry and a long bye-bye	I see, I need your attention, yes
	And I need your energy, yes, I do
But I, I need you to want me	(Oh oh oh) I, I need someone to clap for me
I need you to miss me	And I need your direction
I, I need your attention, yes	Somebody say, come back, hey, come back, baby
I need you next to me	Come back, I want you to need me
(Oh) I, I need someone to clap for me	Come back, come back, baby, (7) back
I (3) your direction	
Somebody say, (4) back	Come back, come back, baby, come back
Come back, baby, come back	Come look for me
I want you to need me	Come back, come back, baby, come back
Come back (hey) come back, baby	So can I get a window seat
Come back, baby	Don't want (8) next to me
Come back, come back, baby, come back	I just want a ticket out of town
Come to me	A look around and a (9) touch down
Come back, come back, baby, come back	
So, in my mind I'm tussling	I just want a chance to fly
Back and forth (be)tween here and hustling	A (10) to cry and a long bye bye
I don't wanna time travel no more	
I wanna be here, I'm thinking	
See, on (5) porch I'm rocking	

- 1. lover
- 2. next
- 3. need
- 4. come
- 5. this
- 6. want
- 7. come
- 8. nobody
- 9. safe
- 10. chance
