## Don't You Worry Child by Swedish House Mafia & John Martin

There was a time	We ruled the world
I (1) to look into my father's eyes	I (5) I'll never (6) her out of sight
In a happy home	We were so young
I was a king I had a golden throne	I think of her now and then
Those days are gone	I still hear the songs
Now the memories are on the wall	Reminding me of a friend
I hear the songs	Up on the (7) across the blue lake
From the (2) where I was born	That's where I had my first heartbreak
Up on the hill across the blue lake	I still remember how it all changed
That's where I had my first heartbreak	My father said
I still (3) how it all changed	Don't you worry, don't you worry, child
My father said	See Heaven's got a (8) for you
Don't you worry, don't you worry, child	Don't you worry, don't you worry now
See Heaven's got a plan for you	(Yeah)
Don't you worry, don't you worry now	See Heaven's got a plan for you
(Yeah)	See Heaven's got a plan for you
Don't you worry, don't you worry, child	See Heaven's got a plan for you
See Heaven's got a (4) for you	Don't you worry, don't you worry, child
Don't you worry, don't you worry now	See Heaven's got a plan for you
(Yeah)	Don't you worry, don't you (9) now
